Semester 1

1 st Quarter	40%
2 nd Quarter	40%
Sem Exam	20%

Semester 2

3 rd Quarter	40%
4 th Quarter	40%
Final Exam	20%

Anatomy & Physiology Course Topics**Quarter 1**

Chapter 1 - The Scientific Method -The Human Body: An Orientation

Chapter 2 - Review of Basic Chemistry

Chapter 3 - Cells and Tissues

Chapter 4 – Skin and Body Membranes

Quarter 2

Chapter 5 - The Skeletal System

Chapter 6 - The Muscular System

Quarter 3

Chapter 7 - The Nervous System

Chapter 8 - Special Senses

Chapter 9 - The Endocrine System

Chapter 10, 11, & 12 -Blood, Cardiovascular System, and Lymphatic System

Quarter 4

Chapter 13- The Respiratory System

Chapter 14-The Digestive System and Body Metabolism

Chapter 15-The Urinary System

“It’s not the work that’s hard, it’s the discipline.”-Anonymous
